

# PC 3 Plastic ceiling loudspeakers

## TECHNICAL SPECIFICATIONS

### PC 3

**PC 3 are 6W 3 inch plastic ceiling loudspeakers with 100V power transformer and ultra small body.**

High quality coaxial full range speaker. Easy mount, spring wire terminals for quick installation in a false ceiling. Small body and sleek surface design allows using the speakers where architectural interiors should not be destroyed with any side subjects or substances. Ideal for public address and background music applications.

|                        | PC 3                        |
