

MHQ 60 Two-way plastic horn loudspeakers

TECHNICAL SPECIFICATIONS

MHQ 60

MHQ 2-way plastic horn loudspeakers. High power and reproduction linearity, water and dust protection are the main features of MHQ horns.

These 60W power rated horns are engineered to provide the highest quality voice and music reproduction for both indoor and outdoor applications, where long throw, large area coverage is required. This makes horns **MHQ** perfect in large areas where clear voice and background music reproduction is required. **MHQ** is reliable and powerful horn speaker with built-in 100V transformer with power adjusting taps.
