

OFCFR Flame retardant and oxygen free speaker cables

TECHNICAL SPECIFICATIONS

OFCFR

OFCFR are double-shielded oxygen-free speaker cables with flame retardant PVC insulator.

These cables are suitable in audio emergency systems as well as for public address installations. These cables are available in two colours: orange and grey.

	18 AWG	16 AWG
Size	2 × 0,82 mm ²	2 × 1,5 mm ²
Conductor number	2	2
Conductor material	OFC	OFC
Insulator material	PVC	PVC
Spool	100 m	100 m
Stranding	19/0,25 mm	19/0,30 mm
Conductor resistance at 20° C	0,0187 Ω/m	0,0134 Ω/m
Capacitance	68,3 pF/m	95 pF/m
Colour	Orange or grey	Orange or grey

18 AWG and 16 AWG OFCFR cable conductors
